INFORMATION DISCLOSURE STATEMENT

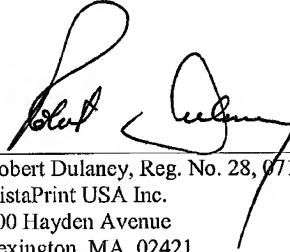

Sir:

The publication cited in the accompanying form PTO/SB/08B is being brought to the attention of the U.S. Patent Office in connection with examination of the subject application. No admission is being made that the cited publication in fact constitutes prior art or is material prior art. Because the publication is already available in the file of this application, another copy is not submitted herewith.

The identified publication was first cited in a March 2005 communication from a foreign patent office in an associated foreign application. The publication was provided with an IDS submitted March 25, 2005, but was not considered by the Examiner because the date of publication was inadvertently omitted from the PTO/SB/08B. Applicant was not provided an opportunity to provide the missing date information prior to the issuance of a first action in this matter, therefore this IDS is being filed under the requirements of 37 CFR 1.97(c).

Please charge the required 37 CFR 1.17(p) fee of \$180 for submission of an IDS to
Deposit Account 502765.

Respectfully submitted,
